Hello Folks,

Its looks like we're going to have a meeting in October after all!

Since we are unable to meet at Front Street due to it being closed for renovations, we have an opportunity to hold our October meeting at the **Italian-American Club** facility located at **1471 Cypress Street in Melbourne**. This location is centrally located near Eau Gallie and US1 (one block west of US1 and two blocks north of Eau Gallie). They have a kitchen and cozy meeting room along with a cash bar! It could be a potential meeting location depending on how the membership likes it.

We recently sent out a survey to the membership and many of you indicated you would like a lunch meeting as opposed to a dinner meeting so we decided to try lunch this month. Still on the 2<sup>nd</sup> Wednesday of the month which seems to work for most of us but at **noon**.

Since we are starting a new year with somewhat unusual circumstances we thought this would be a good time to put into effect any new ideas the members would like for the Society. Our recent survey indicated that many of you would prefer a lunch vs. dinner time, a prepared and served meal vs. potluck meal, etc. These are some decisions to be discussed at our first meeting of the year. We can also do a mixture of prepared meals and potlucks. If we want to go back to potlucks we will need a new volunteer to plan and pick up the main entrées as the Stalls have taken on this task for over a decade and it's time to give them a break!

Also by meeting at the Italian-American club location this may give us an opportunity to attract some new members as they are willing to promote our meetings on their website and Facebook page along with the many activities they are involved in.

Our October meeting with be highlighted by Scottish music and videos and we will continue to do our Dark Horse so bring some fun items and ideas for our future!

Be sure to RSVP to Paula Davis at 321-773-6268 as we will need an accurate count for the amount of lunches we need.

## 2020 – 2021 Season Projected SASB Activities
